

PEABODYS COFFEE ALLERGEN MATRIX

Updated October 2022

We use lots of ingredients in our Peabodys kitchens, so potential cross contamination means that we cannot guarantee any of our food to be allergen free. Where possible, we have provided additional information on potential cross contaminants from our suppliers where products are not made in house.

Of course you can always drop us a call at HQ to find out more: **01525 403703**
